## Platinum BC iPlus V200 6

**A<sup>++</sup>**

**A**

Two icons showing sound power levels. The top icon shows a speaker inside a house with the value 49 dB. The bottom icon shows a speaker outside a house with the value 61 dB.

A legend for the map shading, showing three squares of increasing blue intensity corresponding to power consumption values: 5 kW (darkest blue), 4 kW (medium blue), and 4 kW (lightest blue).
